

NORTHERN SADDLE CLUB

Northern Saddle Club Recreational Ride/Drive Program

This program is designed to acknowledge NSC members who spend time riding/driving their horses. This is a unique opportunity to earn awards, outside of traditional competition. Once you enrol for the NSC Recreational Ride/Drive Program, you simply log the hours that you spend riding/driving your horse. As you move up through the 10 thresholds, you earn attractive awards and the opportunity to purchase hats, vests, hoodies and jackets that are exclusively for higher hour award recipients.

One Time Enrolment Fee: \$20.00

- You must maintain a Northern Saddle Club Membership. If you do not renew your membership with NSC by April 1st of that year, your accumulated hours will return to zero. You will also be required to pay to re-enrol in the recreational ride program again.
- You are to Log hours riding on official NSC log sheets - October 1st to September 30th
- You may ride more than one horse and the rider does not have to own the horse
- Please remember that the deadline to turn in your log sheets is September 30th of each year
- A minimum of one log sheet must be submitted annually to maintain enrolment in the program

ACKNOWLEDGEMENT

In registering for the Northern Saddle Club Recreational Ride/Drive Program, I recognize and agree to pay the one time for participating in this program. I understand that it is my responsibility to submit my hours to the program tabulator:

Jessica Mikolayczyk
PO Box 187 Hazelton, BC VOJ 1Y0
Fax: 250-842-5081

I further acknowledge that I am required to keep my NSC membership current each year to ensure that my hours will accumulate from year to year. I recognize that I must renew my NSC membership by April 1st of each year to keep my participation in this program current. I fully understand that the hours that are eligible for recording are only those hours that I expend riding or driving my horse. Hours for grooming, ground training, etc... are not eligible for this program.

I the undersigned, agree to participate in the Northern Saddle Club Recreational Ride/Drive Program.
